

# Supply List for 7<sup>th</sup> and 8<sup>th</sup> Grade Math

2020-2021

- Scientific Calculator (preferably TI-34)
- 1 to 1.5 inch binder (no spiral notebooks)
- 3 dividers
- Lined paper
- Graph Paper
- Pencil case that can be kept in the binder
- Individual pencil sharpener (with cover to catch shavings)
- Ruler (for graphing-8<sup>th</sup> grade and 7<sup>th</sup> grade pre-algebra only)
- At least 5 sharpened pencils!

**\*For Algebra 1 students, I highly recommend you purchase the TI-84 Plus graphing calculator (either CE or Plus model). This is not a requirement for this year, as we have a class set. However, in high school this is the calculator you will be utilizing. We will be using the calculator in class and sporadically for homeworks, helping to familiarize you with its many functions.**
