

8th Grade Parents - Photos Needed!

EATS PTO coordinates the creation of a memorable slideshow of the kids throughout their years at the school. This slideshow is normally shown in the gym upon arrival for the graduation ceremony and in the auditorium during the PTO Reception afterwards.

However, with the school currently closed and social distancing in place, we have no idea what will happen with graduation! We are in uncharted waters but would like to move forward preparing the slide show.

We need your photos! We would like to include as wide a variety as possible of school based (only) activities/class pics that the kids have been involved in over the years. Dig deep into your archives for those cute Kindergarten class pics, field trips, Trunk or Treat, school sports, etc, pictures. We ask that you upload a maximum of a dozen group pics ONLY (no individual pics please).

Go to our website to upload your photos, eastamwellpto.weebly.com, and select the Events tab. Scroll to the bottom of the page and you will see the Graduation Photos section. You will be able to upload photos to the appropriate folder. You can download the One Drive App for your phone or tablet as well. If you don't have an Outlook account you may need to create one to be able to upload. If you have any trouble OR if you do not have internet access please contact Cindy Hoats (thehoatsfamily@comcast.net or call /text 908-892-6898).

Deadline for submission for slideshow is May 31st.

PTO will send out a YouTube link after Graduation (whether or not we are able to hold a ceremony) to all 8th grade parents of the slideshow. It is a private link but you will be able to share the slideshow with friends and family.

Thank you for your help!
