Dear Parents and Guardians,

Hunterdon Central's fall schedule of athletic events has now begun. Eleven sports at varsity, junior varsity, and freshmen levels are now in high level competition as part of the Skylands Conference. It is our hope that, as Hunterdon Central community members, you find time to come out and enjoy our athletic programs.

Your cooperation is requested by ensuring that elementary and middle school students attending our athletic events do so under the supervision of a parent, guardian, or supervisory adult. The safety and well-being of our younger fans is a priority for us at Hunterdon Central. In order to achieve this, all spectators will be required to remain in the bleacher and designated spectator areas during the games. The back of the bleacher area will be off limits to all spectators. Unsupervised students will first be directed to return to the bleacher area. Failure to comply with the directions of our staff will result in the removal from the event.

We appreciate your support and cooperation. Have a wonderful school year.

Respectfully,

T. O'Brien  
Interim Principal
