

Dear Fellow 8th Grade Parents,

I can't believe the end of the school year is almost here and our children will soon be graduating from East Amwell School. It seems like only yesterday they entered as Kindergarteners. Where has the time gone?

The PTO is beginning preparations for the graduation reception which is held in the cafeteria following the graduation ceremony. One tradition that we need to get started with now is the creation of the graduation video. For those of you who are unfamiliar with this video, it is a nostalgic video presentation of our children's grammar school years.

What we are asking from you is to look through your photos and pull out 10 to 20 of your favorites. These can be from any age, group photos, individual shots, sports shots, plays etc. We will have them digitized and put to music.

The video will be shown at the graduation reception. It is a tear jerker, so please do your best to contribute photos to this project. We don't want anyone left out. All students will get a copy of the finished product.

If you have the capability to scan the photos yourself, please do so and send them to school on a disk or e-mail them to me at my e-mail address below. If not, just send the photos in with your child and we can scan them using the equipment at the school. When sending in photos or disks, please make sure they are clearly labeled so they can be returned. I will be personally responsible for their safe return. Mr. Colt and the students will be creating the video, so please send contributions to his attention.

The deadline for photo submission is May 1st.

We will be making all effort to make contact via flyers and e-mail. If you did not receive this letter via e-mail, please forward me your e-mail address.

Thank your for your assistance in getting this project off the ground. Please call me with any questions.
