

Family Tools and Technology

East Amwell Township School

Ringoes, New Jersey

The Board of Education and East Amwell Education Foundation announces Family Tools and Technology, an evening program for 4th grade students and their families. This fun-to-do, hands-on activity is looking for participants. Students, along with their parents, can experience this once in a lifetime program that explores the mysteries of science, engineering and mathematics. Please read the following information and sign up today!!

WHO: This program is open to Fourth grade students attending East Amwell Township School and one or two accompanying parents / adults are invited for each student. The FTT program will be conducted by Mr. Colt (Computer Teacher) and Mr. Shuler (Art / Computer Teacher).

WHAT: The Family Tools and Technology program, which uses everyday objects, help families explore the nature of materials around them by using the investigative process, the testing of theories, by the conducting of fun experiments and the building of models.

WHEN: Six Sessions: (January 6th, 8th, 13th, 15th, 20th and 22nd)

WHERE: East Amwell Township School Cafeteria.

COST: Free!! The Board of Education and the Education Foundation sponsors Family Tools and Technology.
