## Joe Corbis Family Favorites Fundraiser

The East Amwell Education Foundation is selling Joe Corbi pizza kits, cookie dough, pies, cheesecakes and other easy-to-prepare foods to raise funds to support its programs. For those that know Joe's products we need to say no more – except, make sure to check out all their new offerings.

Joe Corbi products are made from high quality ingredients, are easy to prepare and taste great. Their pizza kits are great for those hot summer nights when you don't feel like cooking a big meal. They're so simple to make that even the kids can do it. Or, keep a bucket of your favorite cookie dough in the freezer for a quick dessert during sleepovers and cook outs. And make sure you're ready for the summer holidays and keep a couple of Joe Corbi's pies or cheesecakes on hand. What could be nicer than a fresh baked pie at your next barbeque!

Founded in 1997, the East Amwell Foundation is an independent, tax-exempt organization which is not affiliated with the School System or the Township Governing body. It is a multi-generational organization serving preschool children through senior citizens. Various programs are promoted through presentations, lectures, seminars, trips and grants. The programs cover Science & Technology, Culture, History, and Fine & Performing Arts.

The Foundation has sponsored archeological digs where East Amwell students uncovered buried artifacts at some of the township's historic sites. It also sponsors the "Read Across America" program at the township school, and provides funding for storytellers for students in pre-K to 3rd grade. In partnership with other organizations, such as the Hunterdon Cultural and Heritage Commission, the Foundation has provided lectures on various historic and cultural topics. To date, the foundation has awarded more than \$60,000 in educational grants. For more information visit us at:
