Dear Parents/Guardians

We need your help in surveying our township for the number of anticipated Kindergartners for the 2009-2010 school year. This is very important for planning and budgeting purposes. Your full cooperation is greatly appreciated.

Please complete the information requested below for all pre-school children in your family. To be eligible for Kindergarten in September 2009, a child **must** be **five (5)** by **October 1, 2009**.

OTHER FAMILIES SECTION

If you have neighbors who do not have children in our school at the present time but who do have pre-school children, please list the parents'/guardians' name and address. Also, complete the remaining information requested in the Other Family Section of this form to the best of your ability.

Return this information to the school office by **Monday, January 5, 2009**. The parents of children eligible for Kindergarten in September 2009 will receive registration information by mail.

Thank you for your cooperation.

Sincerely,
