Dear 7/8th Grade Parents/Guardians:

As many of you are aware, we have been piloting Moodle through Miss Anders and Mr. Shuler's classes. We have been very happy with the results we have been receiving and are excited to announce that all 7th and 8th grade teachers including specials will be using Moodle beginning, Monday, March 23rd.

Our Moodle sites will be an online resource for parents/guardians and students. As you read the attached document, you will notice the numerous capabilities of Moodle. At a minimum, East Amwell teachers will have homework posted but many will use this for course descriptions, education links, classroom notes and a calendar of projects. The Student ID and Passwords have remained the same. If you misplaced them, please email Mr. Colt at crcolt@eastamwell.org and he will be happy to provide these to you.

Please be advised as of April 3rd, we will no longer be using the Homework Hotline for our 7th and 8th Graders. If you have any questions or concerns, please feel free to call me.

Sincerely,

John Capuano
Principal
