

FROSTY'S WORKSHOP

Now that November is upon us, we need to start planning for Frosty's Workshop. Frosty's is scheduled to take place December 12th.

This is a large event and we need everyone's help. Please read the descriptions below and let us know where you can help.

To reply, e-mail me at lisa_saponara@yahoo.com, phone (908)782-9251, or return this form to school with your child.

Event Coordinator: _____

We are in need of 1 or 2 people to coordinate this event. You would be the point person (not the person required to do all the work.)

Host a Craft Day _____

This entails either obtaining a room at the school or using your home to host a craft making session. You do not need to come up with a craft on your own, (unless you have one.) We have a folder full of ideas. The PTO will provide the funding for the materials. **We are in desperate need of crafts. We do not have many left over from last year!!**

Fun Services: _____

Help the current coordinators keep inventory and help sell the day of the event.

Food Coordinator: _____

We provide pizza and beverages for the volunteers working the day of the event. We also ask for donations of baked goods. Your responsibilities would be to coordinate the food items for the day.

Photos with Santa: _____

You would need to make sure we have all necessary supplies ie. Film, cards, glue, candy canes etc.

Work the day of the event: _____

We need volunteers to come in and help the children shop and sell items. You can work as many hours as you like.

Set up night before event: _____

This requires you coming in the night before the event to help set up the gym. This usually takes a couple of hours.

Clean up: _____

We need several people to help cleanup at the end of the day.
