

A GOLD RUSH IS COMING!

How would you like to have extra spending money for the Holidays?

The PTO is bringing a very unusual fundraiser to our school. **We are not asking you to buy anything. This will not cost you any money.** In fact, you will be walking away with money.

The price of gold is at an all time high. Jewelers are willing to pay top dollar for jewelry. On December 9th, from 5:30 to 8:30, a Gold Broker will be at our school ready to pay you for your gold.

The jewelry can be in any condition. Do you have a chain that is broken or a necklace that is from the eighties and is out of style? How about that one earring you have sitting in your jewelry box that you lost the match to? Just put it all in a plastic baggie and put it aside for December 9th.

I recently went to a home party with just a handful of broken and mismatched jewelry and walked off with \$150 cash in hand. It doesn't matter how much or how little you have. If you are not sure if the jewelry you have is real or costume, bring it anyway. They will let you know.

The broker determines the exchange rate based on the selling rate for that day. The amount paid will be clearly posted the evening of the event.

How does the PTO make money? The PTO gets paid based on the amount of gold collected for the evening.

Look for more information to be sent home in the coming weeks.

So, save the date and start looking for that unwanted gold. If you have any questions, please do not hesitate to call me.
