Computer Club 2009-2010

Dear Students and Parents,

The Computer Club will be starting September 14, 2009. This year the Club will meet Monday through Friday from 7:30 AM to 8:40 AM in the Computer Lab. All students in 4th, 5th, 6th, 7th and 8th grades are welcome to participate. **Younger students may attend with older brother or sister.**

The purpose of the Computer Club is to provide a wide variety of activities for students to develop technology skills. The Club is also an excellent time for members to work on research projects, classroom assignments, homework, educational games and keyboarding skills.

If you are interested in participating in the Computer Club, please fill out the form below and return it to Mr. Colt. As a reminder, students do not have to attend every time that the club is offered. Many students come and go depending on their other activities. Thank you in advance for interest in the Computer Club.

Mr. Colt

N.B. Students must enter the Computer Lab through the Library side door.
