

Celebrate National DEAR Day! 2010

Drop Everything and Read! East Amwell School invites all of our families to Drop Everything and Read for 30 minutes on Monday, April 12 which is National DEAR Day. The goal of National DEAR Day is to have families take time to read together. Hopefully, your time spent reading together will be so enjoyable that you will make DEAR time a part of your schedule everyday!

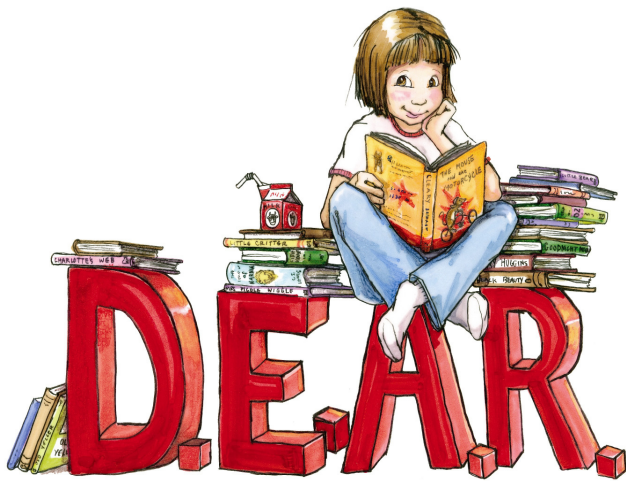

National DEAR Day is the birthday of Beverly Cleary, a cherished children's author. There is a National DEAR Day bookmark attached to this sheet. Ramona Quimby, Beverly Cleary's loveable character is featured on the bookmark.

Students can bring their completed bookmarks to school Tuesday, April 13. We will hold a drawing using the bookmarks and three winners will receive Borders gift certificates!

Have fun reading!
