

FREE CPR Week

Family & Friends CPR – Adult & Child

Learn how to save lives through cardiopulmonary resuscitation at a free CPR class during **Princeton HealthCare System's** Free CPR Week, April 10-18.

Participants will learn how to perform CPR on adults and children, and how to help an adult or child who is choking.

This course is designed for members of the community who want to learn CPR but do not need a course completion card.

Please visit our website for additional free CPR class listings.
