

3rd Grade

East Amwell School  
June 2010

Dear Third Graders and Parents,

Welcome to third grade! We are looking forward to a great school year with you as part of our team.

Since many parents would like to take advantage of the "summer school supply sales," we would like to recommend the following materials for use in the third grade:

- Many #2 pencils and erasers
- 1 package of highlighters
- 1 plastic rectangular pencil box (approx. 8"x 5"x 2")
- 1 large glue stick
- 3 packs of 3" x 3" yellow post-its
- Crayons and markers (one small pack of each)
- 4 spiral notebooks - each a different color; 1 subject; wide ruled; 70 sheets (Avoid "college ruled" since these narrow lines make cursive writing difficult for third graders. Please do NOT purchase "trappers" because they are much too large and bulky for our needs.)

Our experience tells us that the above materials will help organize and promote good work habits. Your cooperation regarding this first step to success is greatly appreciated.

Have a wonderful summer! Remember third graders, keep your minds active by reading books, keeping diaries or journals, and writing letters. Don't worry about your multiplication facts! Just keep studying those addition and subtraction facts!

See you in September!

Sincerely,  
The Third Grade Teachers
