Tablet PC Online: Help and Downloads

- [Software For The Tablet PC](http://www.tabletpc2.com/Software.htm) (<http://www.tabletpc2.com/Software.htm>)
Software to Enhance your Tablet PC, UMPC, Netbook & Laptop Computing Experience
- [Free Microsoft Tablet PC Software](http://bhandler.spaces.live.com/Blog/cns!1pt1v0Q4vD8jSvNS4lqdAuug!569.entry)
(<http://bhandler.spaces.live.com/Blog/cns!1pt1v0Q4vD8jSvNS4lqdAuug!569.entry>)
While Tablet PCs can take advantage of all Microsoft's free Windows, Research and Office software; there's a great deal of free Microsoft software designed specifically for the Tablet PC.
- [The Benefits of a Tablet PC video](http://www.microsoft.com/windowsxp/tabletpc/evaluation/tours/educationpack/op_01.html)
(http://www.microsoft.com/windowsxp/tabletpc/evaluation/tours/educationpack/op_01.html)
This may be geared towards a college student, but it gives you some ideas what the Tablet PC can do for you.
- [The Tablet PC Education Blog](http://www.robertheiny.com/) (<http://www.robertheiny.com/>)
This is an online forum for people to share and discuss technology in education. Use the index on the right to search in categories.

Extras

- [Digital Nation Trailer](http://www.pbs.org/wgbh/pages/frontline/digitalnation/press/)
(<http://www.pbs.org/wgbh/pages/frontline/digitalnation/press/>)
This is a PBS *Frontline* Documentary on how technology is affecting the world. There may be some interesting points to bring up in class or just to watch for interests sake.
