

## 2009-2010 Homeroom Parent Request

Each year the PTO asks for volunteers to be homeroom parents. Each homeroom (K-6<sup>th</sup> grade) needs two parents. This is a great way to get involved and meet many of the children/parents in your child's class.

Homeroom parent responsibilities vary per grade level. Typically, the younger the grade, the more involvement is needed. The teachers determine the level of involvement they would like from their homeroom parent. Responsibilities can range from planning holiday parties to assisting the teacher on days when a large number of activities have been planned.

If you would like to volunteer please fill out the form below and indicate which grade/classrooms you are interested in. ***You must be a PTO member to be a homeroom parent.***
