## The Superintendent's Corner

Greetings,

As the school year comes to a close, I would like to thank you for your fantastic support of our school. We had a great school year with numerous exciting and positive things happening such as: our Terra Cycle Award, excellent test results, numerous students receiving honors and recognition, fantastic programs in the arts, athletic accomplishments, accolades from the State on our Staff Development Plans, school performance results, and outstanding support from our Board of Education and PTO just to name a few.

Next year we will continue to share my responsibilities as Superintendent and share our Child Study Team with Milford School District, as well as, continuing an outstanding relationship with the Township in shared services like snow plowing, mowing, cleaning, and technology. We will also continue to share with the high school in the areas of transportation and staff development, with ESC in purchasing and technology, and Milford, Flemington/Raritan and Readington with curriculum and staff training. 2010-11 was a wonderful year and we look forward to doing even more as we move forward.

Have a great summer! See you in September.

Sincerely,

**Edward Stoloski**  
Superintendent

## The Principal's View

Dear Parents,

Believe it or not, we are at the end of our school year. I would like to take this opportunity to thank all of the parents, teachers, and students who have helped to make this a great year.

I am very sad to say goodbye to our graduating 8<sup>th</sup> graders, but I know that our loss is the high school's gain. I wish all of you the best of luck in your future endeavors.

**Graduation** will be 7:00 pm on June 22<sup>nd</sup>. As you may remember from last year, all student awards (sports and academic) will be given out during an assembly on June 22<sup>nd</sup> at 9:10 am in the Gym. We would love to have as many people in attendance as possible to support our students!

In closing, enjoy the summer months with your children and remember to have them read and to practice their math facts!

Have a great summer!

Sincerely,

**John Capuano**  
Principal

### A Message From Your Board Of Education

The passage of the 2011-2012 budget will enable the Board of Education to continue to offer quality educational programs and services to the children of this district. Thank you for voting!

On behalf of the Board, we would like to wish all of our families a relaxing and safe summer. We look forward working together next year.

## Field Day 2011

A BIG Cougar Shout Out goes to Ms. Daniel and her crew of volunteers and staff members that gave the students of East Amwell School one of the BEST FIELD DAYS EVER!!!

The day started with a tremendous assembly featuring the Laser Magic of American Pride. The faculty also got into the fun and entertainment as the Flash Mob returned to dance at the elementary assembly. The show was amazing to say the least.

Once again thanks to Ms. Daniel, the PE staff, PTO and all of the volunteers that made the day so special.

### Environmental Club TerraCycle Reminder:

Please continue to collect items for our TerraCycle collections through the month of June and throughout the summer.

For the summer collection...PLEASE keep DRINK POUCHES in a separate bag so not to ruin the other collection items. We still earn money for our school through collecting so please continue your great efforts throughout the summer months. I will be ready and waiting to see how much we can collect throughout the summer! Thanks for all of your efforts to reduce waste, help the Earth, and our school's outdoor environment.

Thank you- Sharon Ernst and the Environmental Club

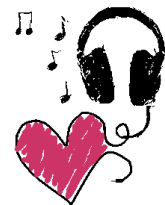

### *EAST AMWELL TOWNSHIP SCHOOL SUMMER INSTRUMENTAL MUSIC PROGRAM*
