The mission of Pop Warner / Flemington Falcons is to enable children to benefit from participation in team sports and activities in a safe and structured environment. Through this active participation, Pop Warner programs teach fundamental values and skills that young people will use throughout their lives.

Pop Warner seeks to provide fun athletic learning opportunities for children, while emphasizing the importance of teamwork, dedication and a superior work ethic in the classroom and on the playing field. The Pop Warner Little Scholars Program is the only youth football and cheerleading organization that requires its participants to maintain academic standards in order to participate.

Positive experience and Safe Playing Environment

Pop Warner programs have no tryouts or cutting of rosters. Everyone participates under mandatory rules of play. Each level of play for football is weight controlled for safety -- Players are matched by both age and weight levels. Cheerleaders are generally grouped by age and grade.
