

# EATS PTO

We need your help!

In an effort to make new families of East Amwell Township School feel more welcome, and to aid in their children's adjustment to our school, the PTO Welcoming Committee is looking for volunteering families for the 2011-2012 school year. The committee is making an effort to link-up current families to newly incoming families for possible "Meet-and-Greets".

We hope to have a volunteer list that includes 2 families with a female student and 2 families with a male student from each grade. If you and your children would be willing to get-together with a new family and their children of the same grade, please sign up at:

Thank you, in advance, for your kindness and hospitality toward our new families. It is truly appreciated. For additional information, please contact Sue Conover at (609)466-2549.
