

East Amwell Township School

Free Lunch For All Students

East Amwell Township School will be offering free lunch to all students beginning September 29, 2020 through December 23, 2020. Free and Reduced Lunch applications are not required to participate in this program.

Students who are attending in person, all five days, will order lunch in the morning with their homeroom teacher as they normally would.

Students who are on remote learning one day per week and would like to participate should complete the [Lunch Survey](#) to register. Lunch will be sent home the day before their remote day.

Students who are on full remote learning who would like to participate should complete the [Lunch Survey](#) to register. *Pick up will be once per week on the first day of school each week, at the main entrance from 12:00 - 12:30 PM.* The survey needs to be completed by the Thursday before to begin participation in the following week. Lunches will be a grab and go meal that meet all school nutrition requirements; it may be different than the lunch menu for in person students. You may sign up at any time during your child's remote learning option; just remember lunch pick up will start the following week. If you choose to participate only one registration is needed. Additions, changes and cancellations must be submitted by 3:00 PM on Thursday to be effective the next week.
